

# Pledge Inventory Template

Note to Participating Schools:

While the Many Gifts, One Nation: A Day of Giving to Catholic Schools platform does not offer a pledge option, your school can easily collect pledges throughout the school year. Collect donor name, email, phone and amount pledged on this inventory form. Leading up to the day of giving, have a team of volunteers call and remind donors of their pledge to participate and share instructions on how to do so. Send an email to all those who have pledged on February 2, 2021 to remind them to make their gifts.
