

2019 QUEEN OF THE ROSARY
Masquerade
GALA AUCTION

To Whom It May Concern,

Queen of the Rosary School, located in Elk Grove Village, Illinois, is a small Catholic school comprised of approximately 265 students ranging from 3-year-old preschool to eighth grade. Established in 1959, Queen of the Rosary School has instituted and maintained a strong academic presence in Elk Grove Village for 59 years. The school's traditions and sense of community continue to attract new students, as well as second and third generations of families. Queen of the Rosary School has been an integral part of the parish and community, providing a faith-based, nurturing environment that promotes academic excellence and spiritual development. The school embraces the Church mandate to fulfill the mission of Christ by spreading His message through discipleship in our next generation.

The schools' main sources of revenue are tuition and fundraising, as we are not subsidized by parish funds or other external sources. As such, successful fundraising is critical to the schools ongoing ability to operate effectively and provide excellent, faith-based education for its strong enrollment of well over 250 students every year.

Our Spring Gala is our second largest annual fundraiser. This year we are looking for corporate sponsors to help us enhance our guest experience and heighten our fundraising effort. This fundraiser allows us to fulfill our operating budget needs, supplement tuition, and enhance our enrichment programs.

One of the ways we can reach our fundraising goals is by acquiring generous sponsors to help finance a professional auction company, a professional auctioneer, and our annual "Chip Away at Your Tuition" raffle. This allows our parents, parishioners, families and community members to purchase a "chip," giving them the opportunity to win a year of free tuition for a child in the school.

While Queen of the Rosary emphasizes academic excellence, it strives continually to integrate academics with the spiritual lives of its students. The educational community fosters an appreciation of lifelong learning, faith development, and active involvement in the parish and greater community. Our school is a 501 C3 nonprofit, which means that your contribution is not only tax deductible, but allows us to continue making a difference in the community. We thank you in advance for your generosity.

Sincerely,

Dana Arciniegas
